AUTHOR'S NOTE

This is just the beginning of what I hope will be many adventures with Lheeloo & Luna. I created this book for readers of all ages, and I hope it brings smiles and a little joy to everyone who reads it!

All the illustrations were hand-drawn using Krita and Adobe Fresco, with Canva used for design and layout.

I hope you enjoy the short stories,
and thank you for joining Lheeloo & Luna on their adventures!

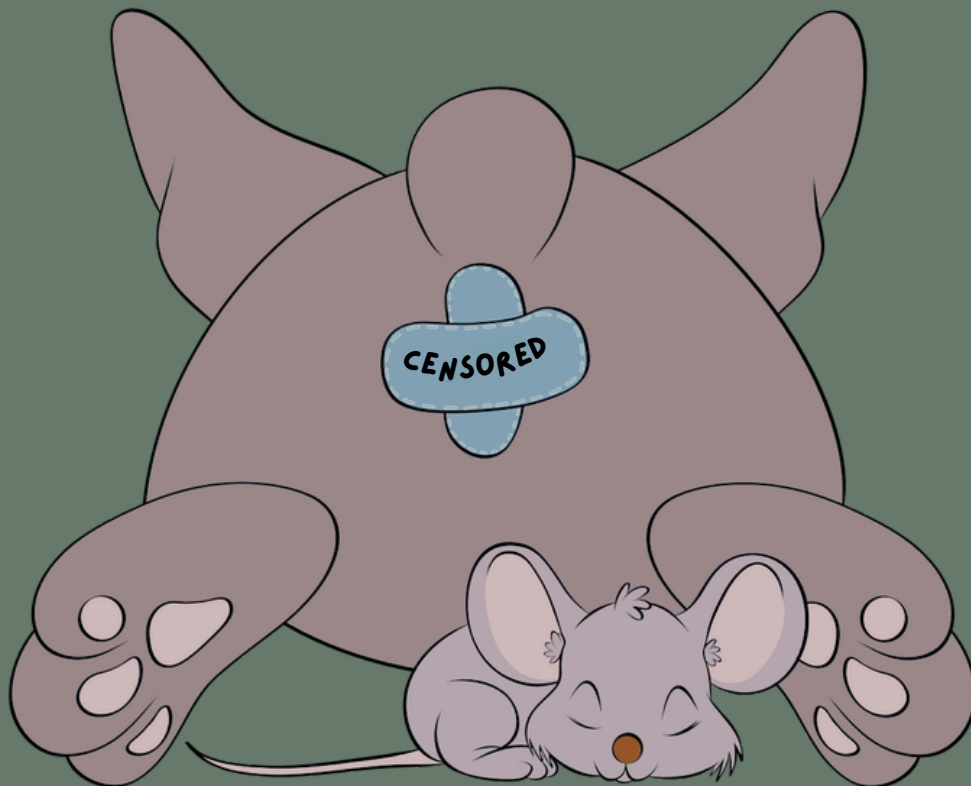

NO ARTIFICIAL
INTELLIGENCE

illustrations of this book!

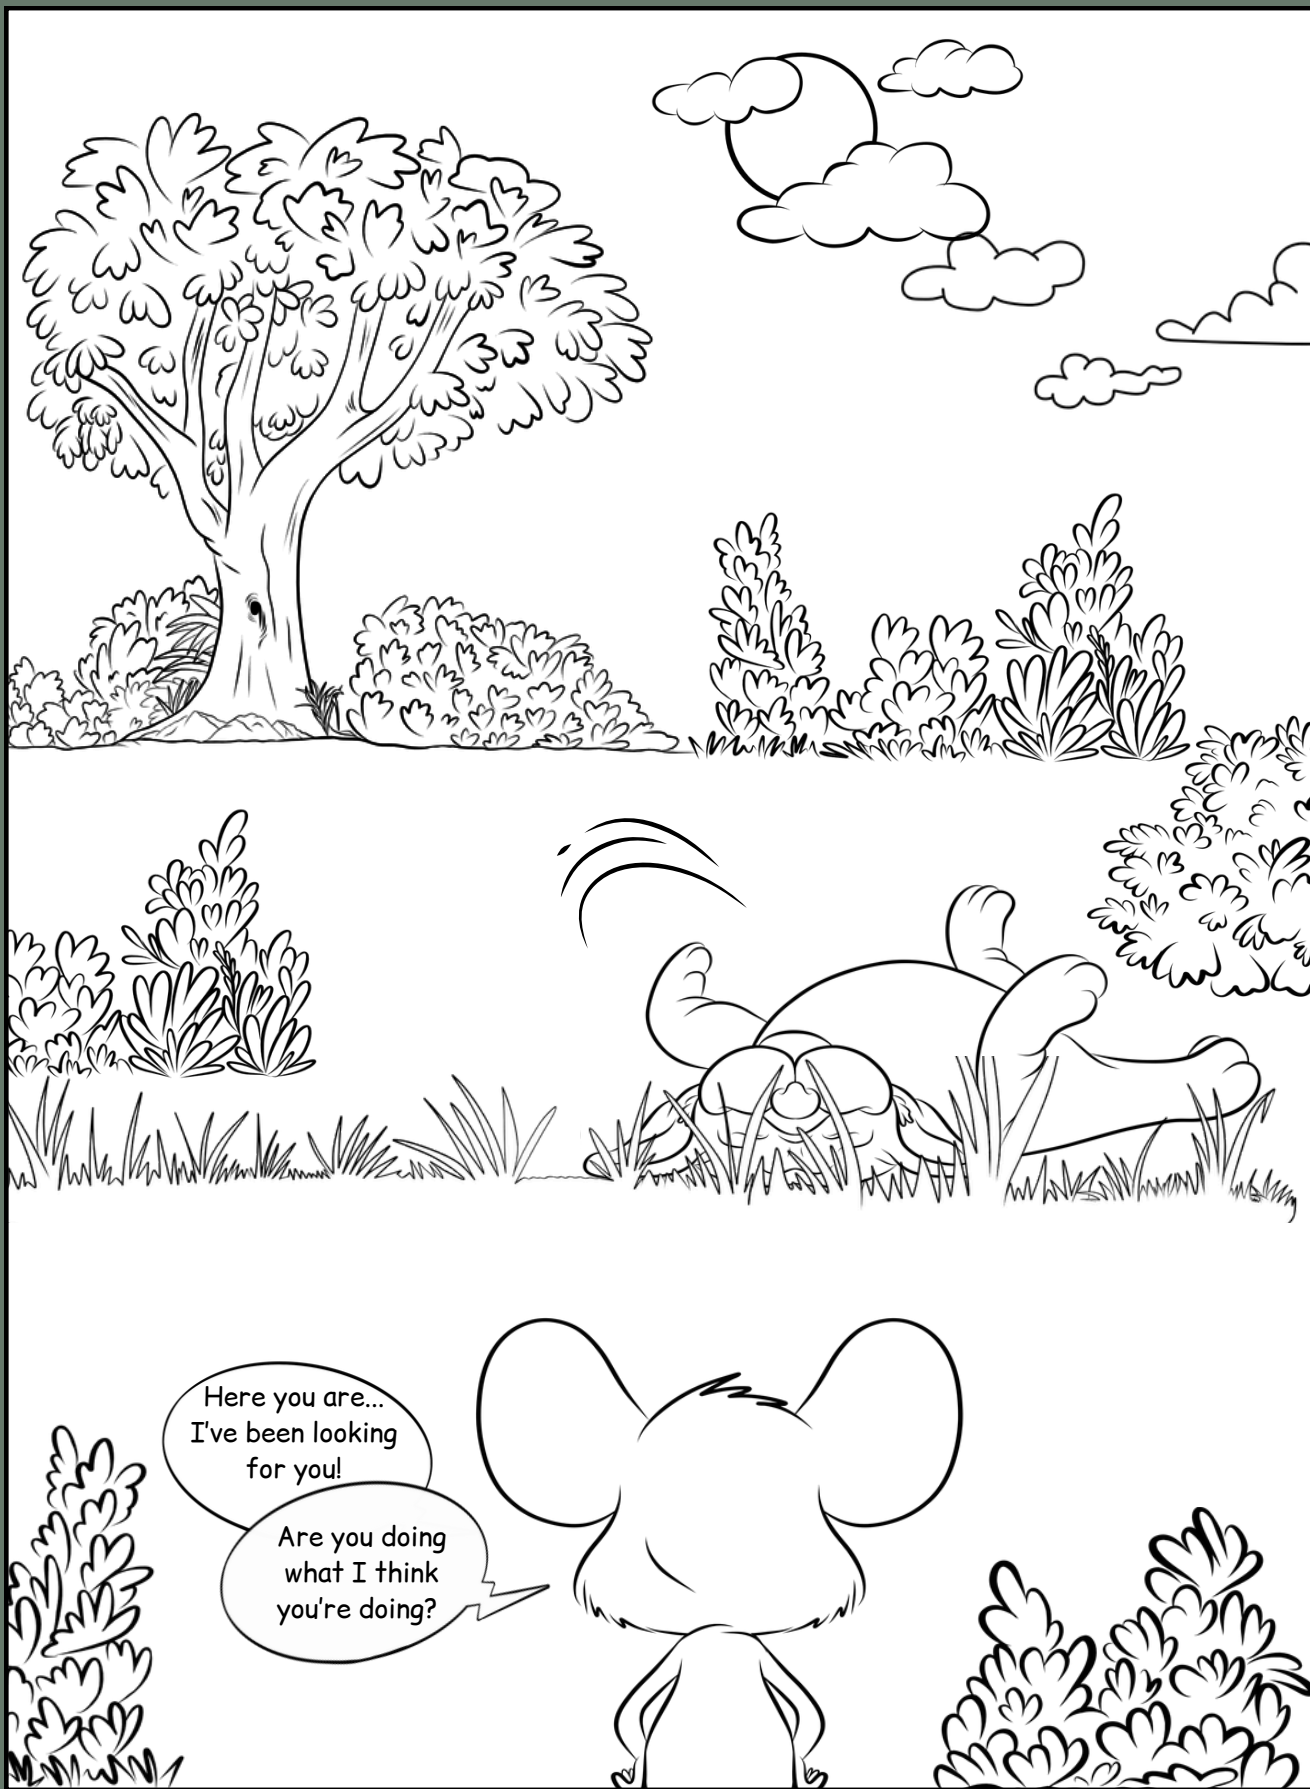

HELLO & UNA

THURSDAY

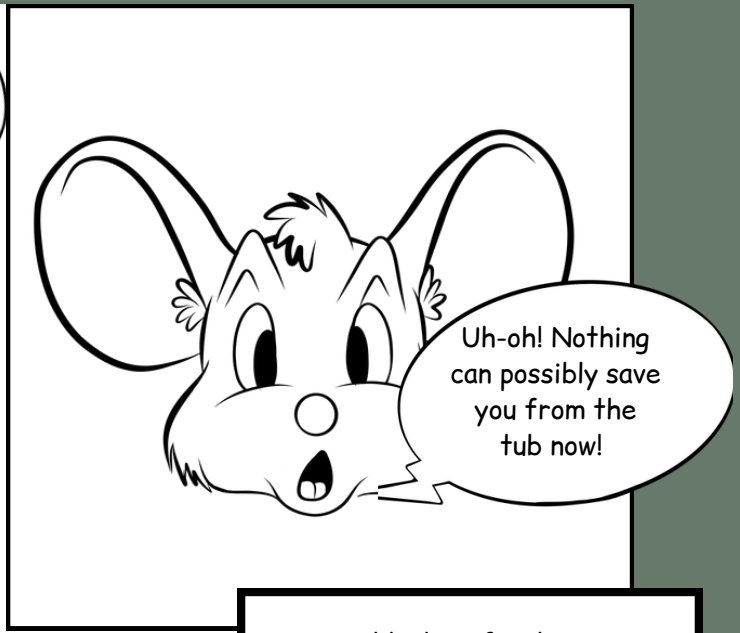

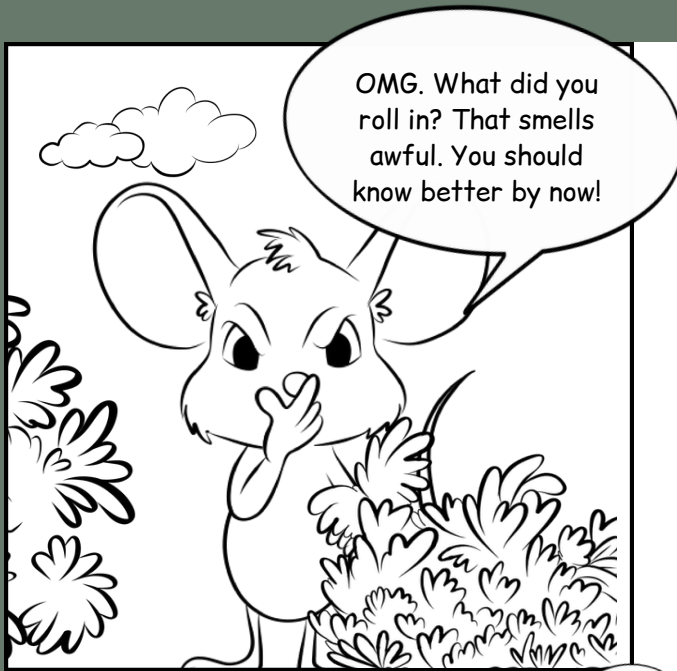

IT'S NO JOKE
BEING PRETTY!

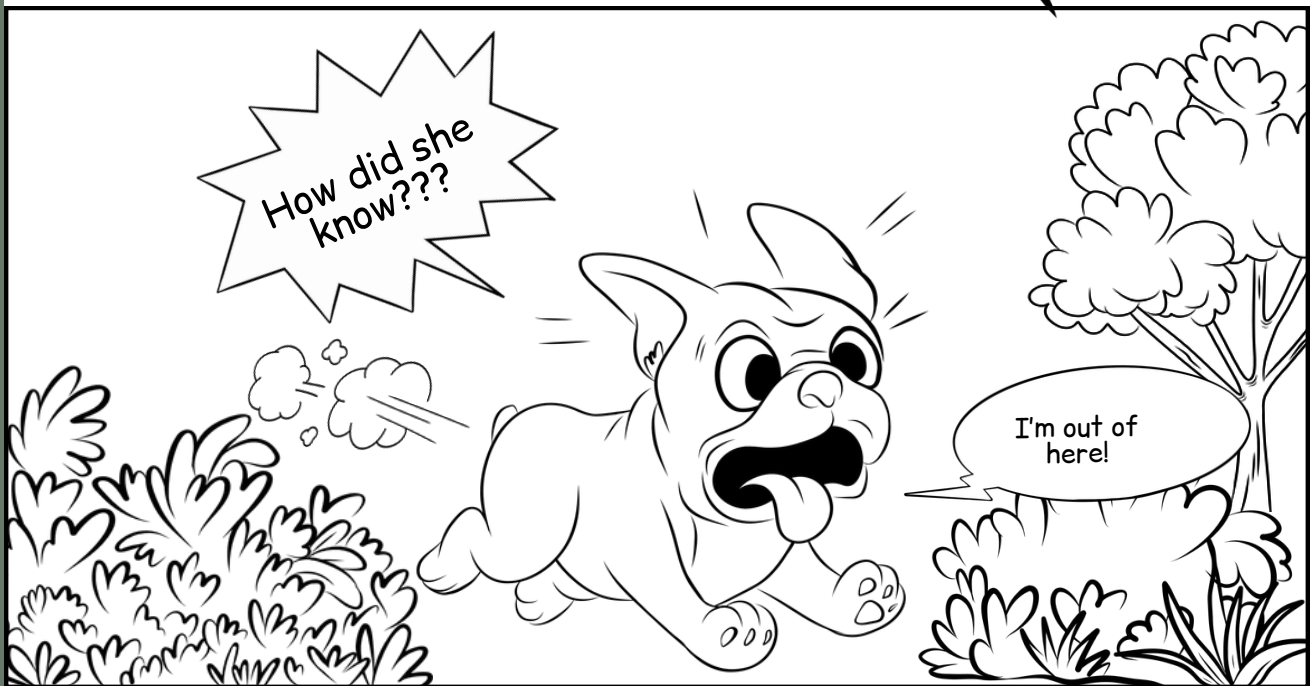

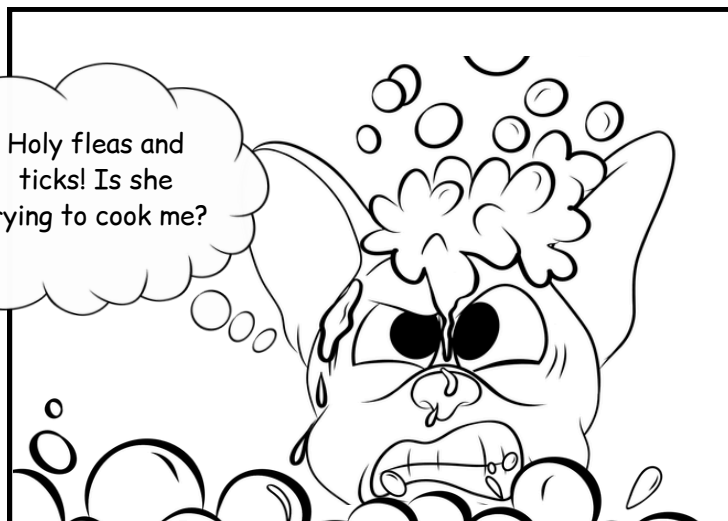

Here you are...
I've been looking
for you!

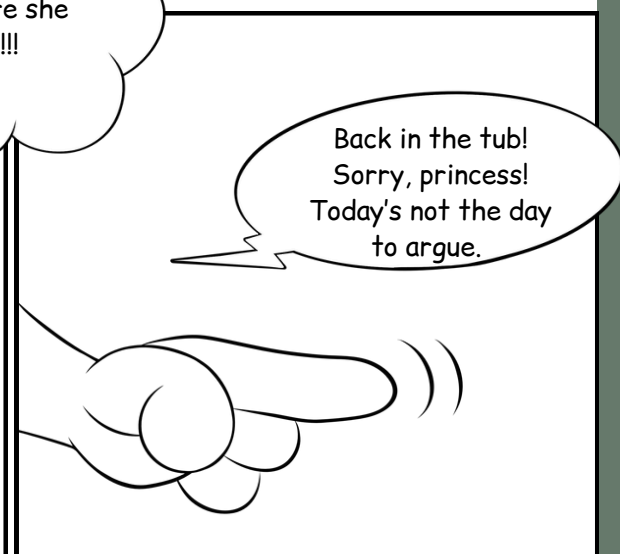

Are you doing
what I think
you're doing?

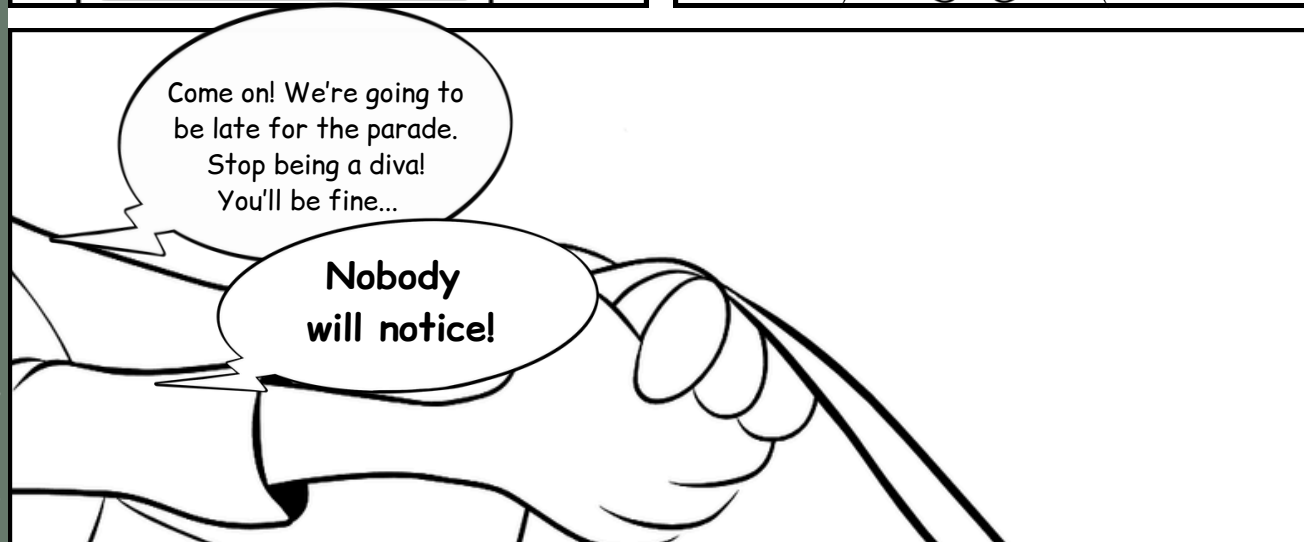

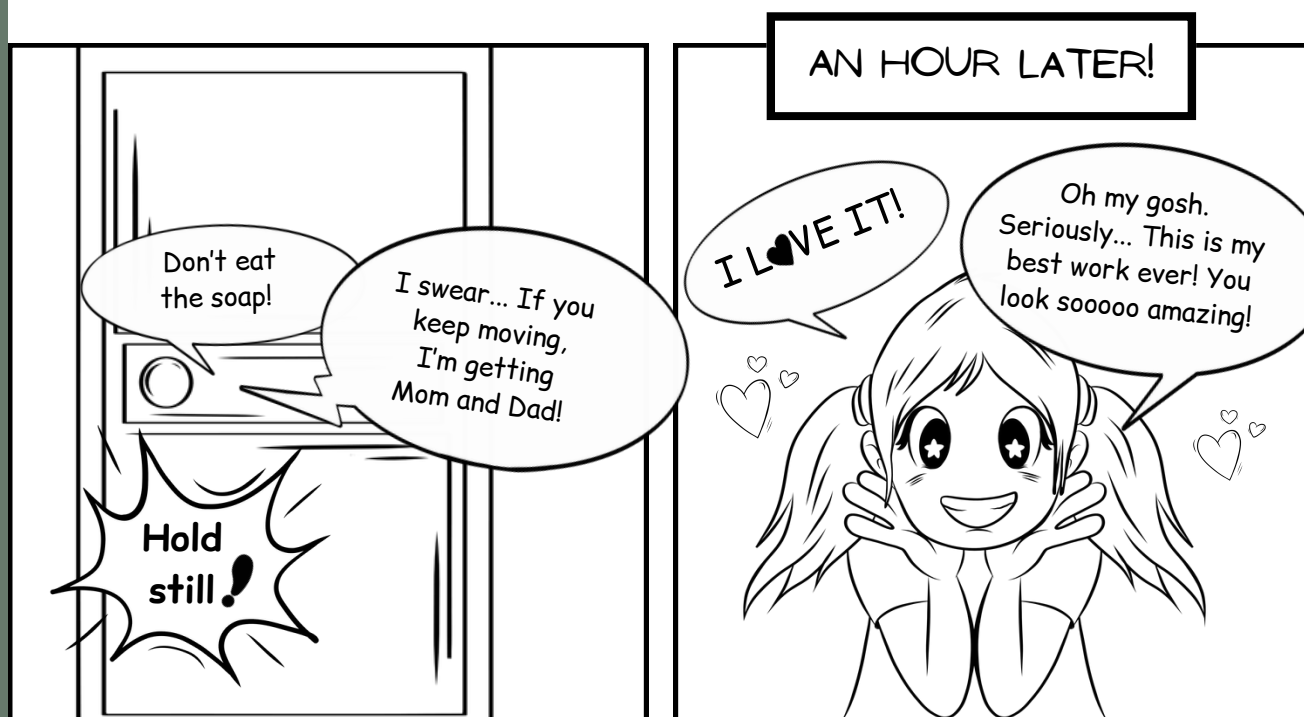

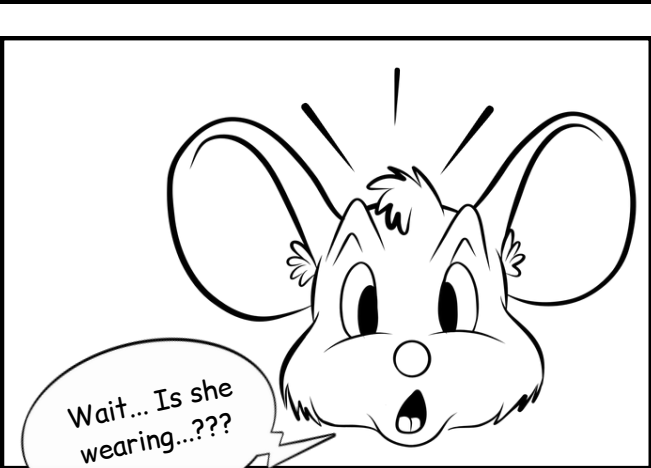

Suddenly, a familiar roar
blasted out of the house

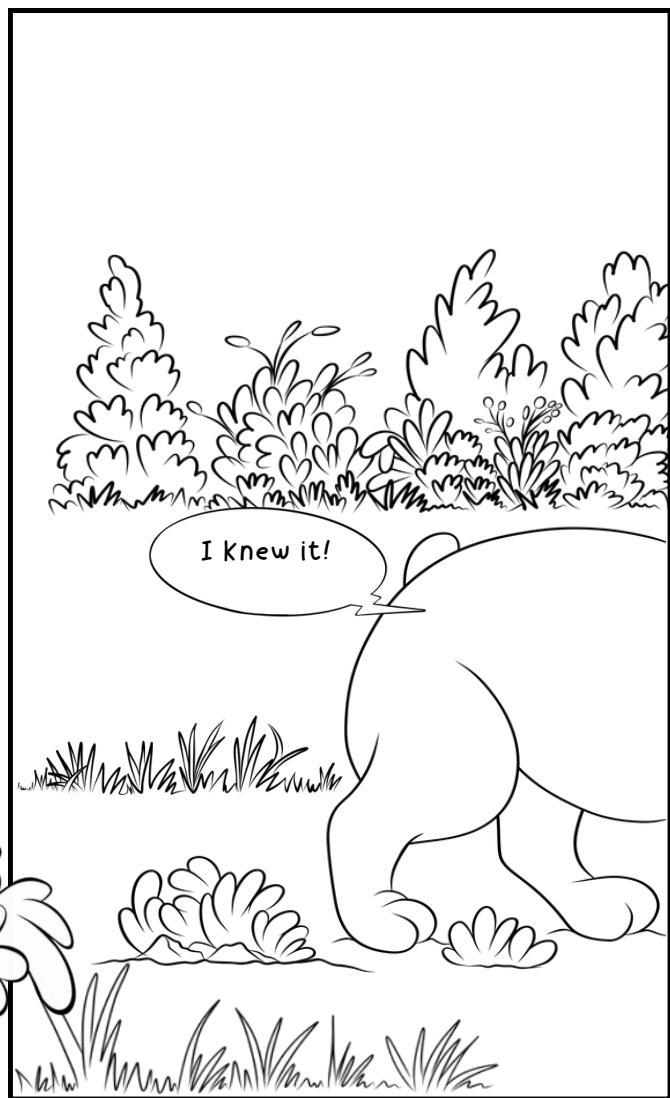

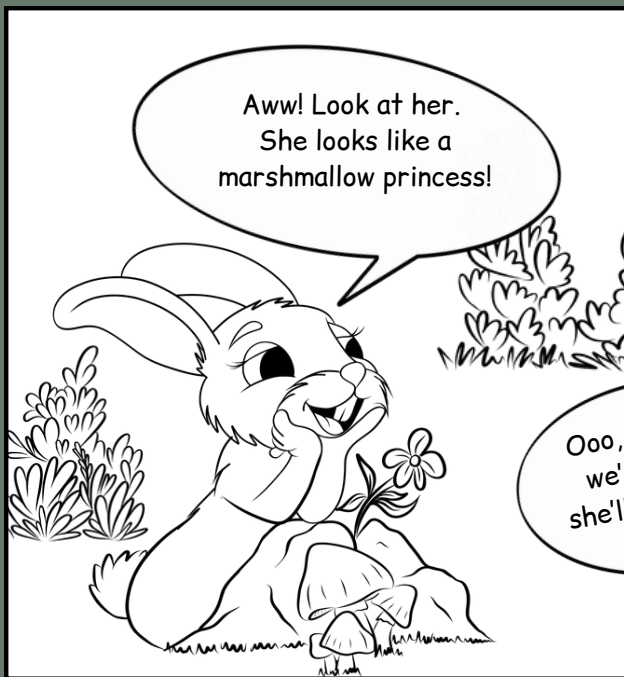

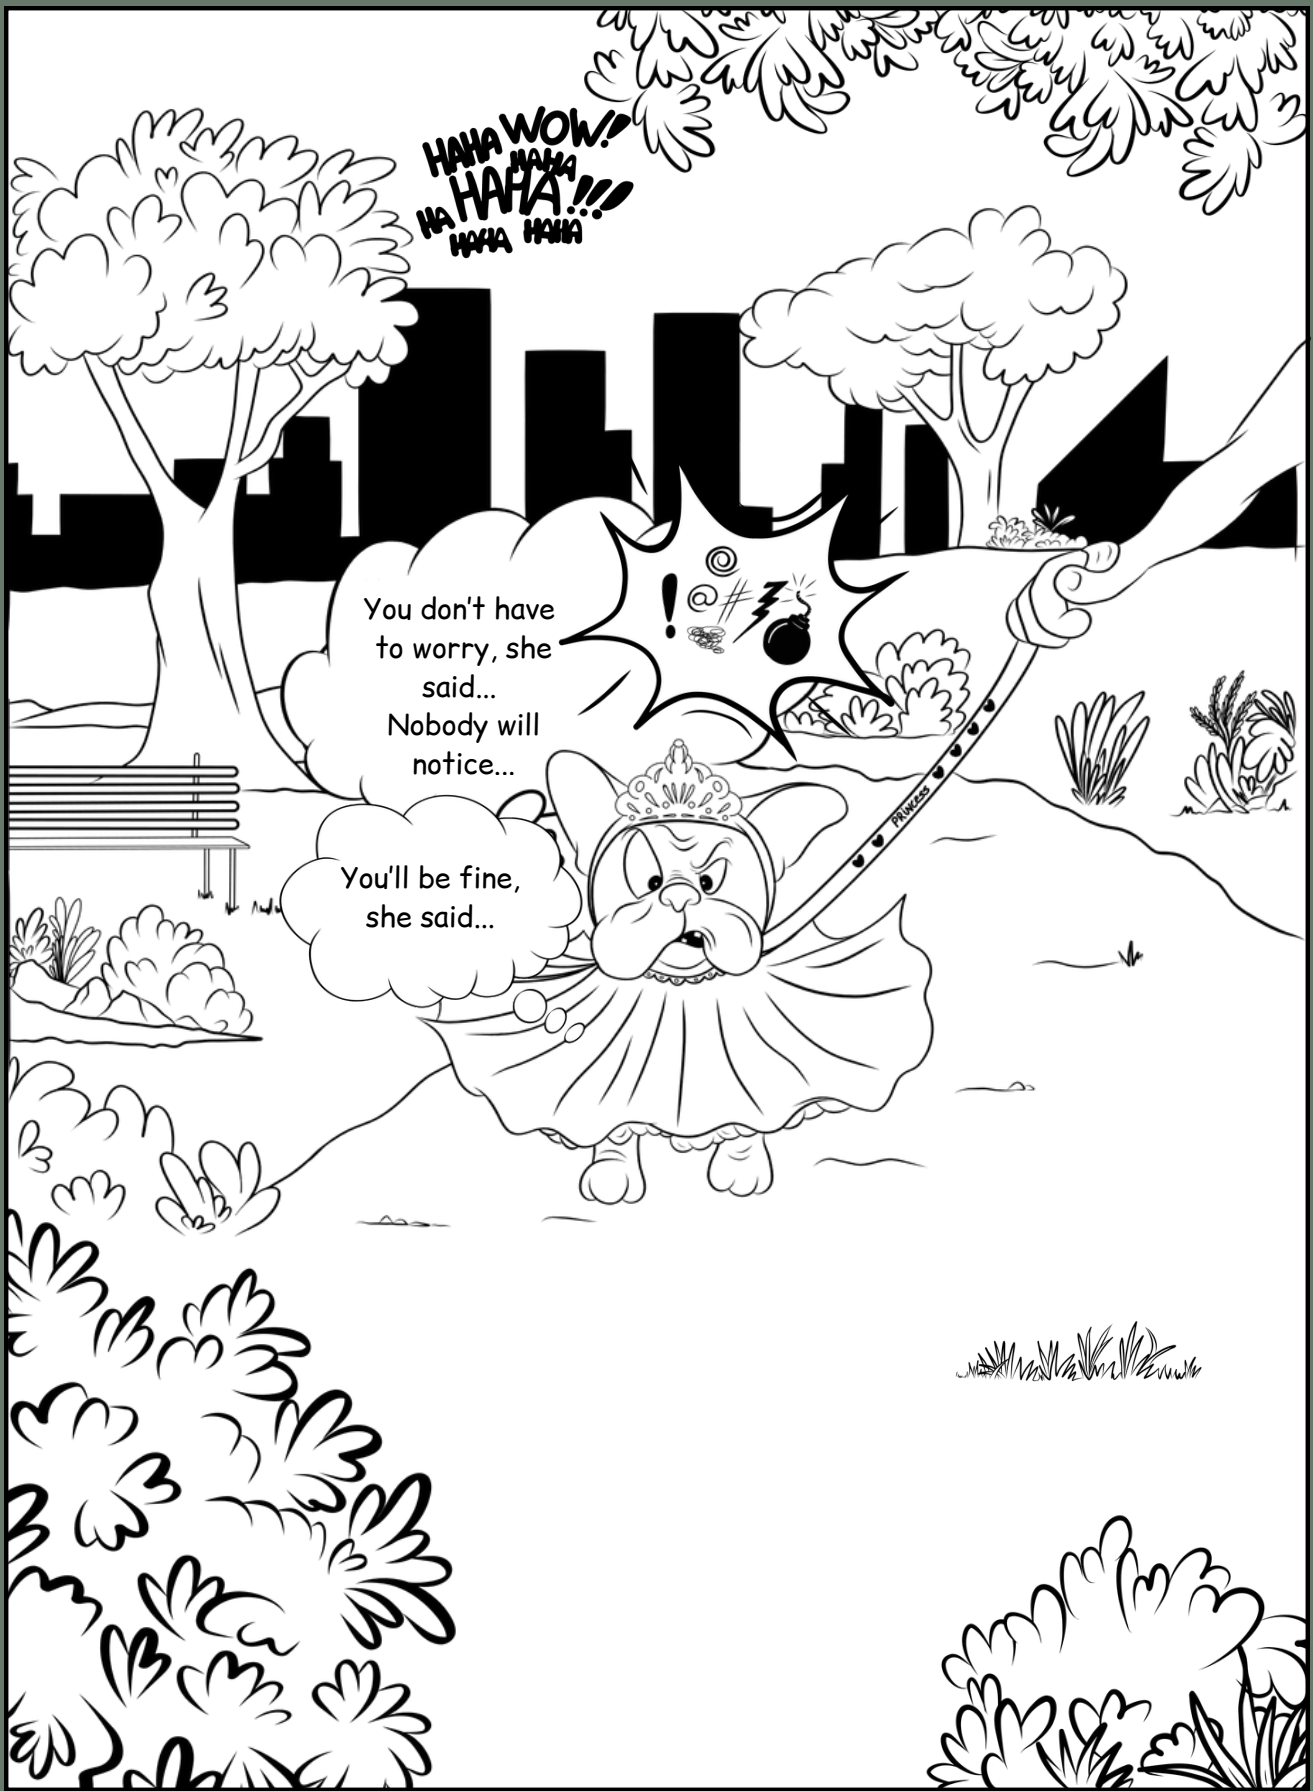

ON THE WAY,
THEY GO...

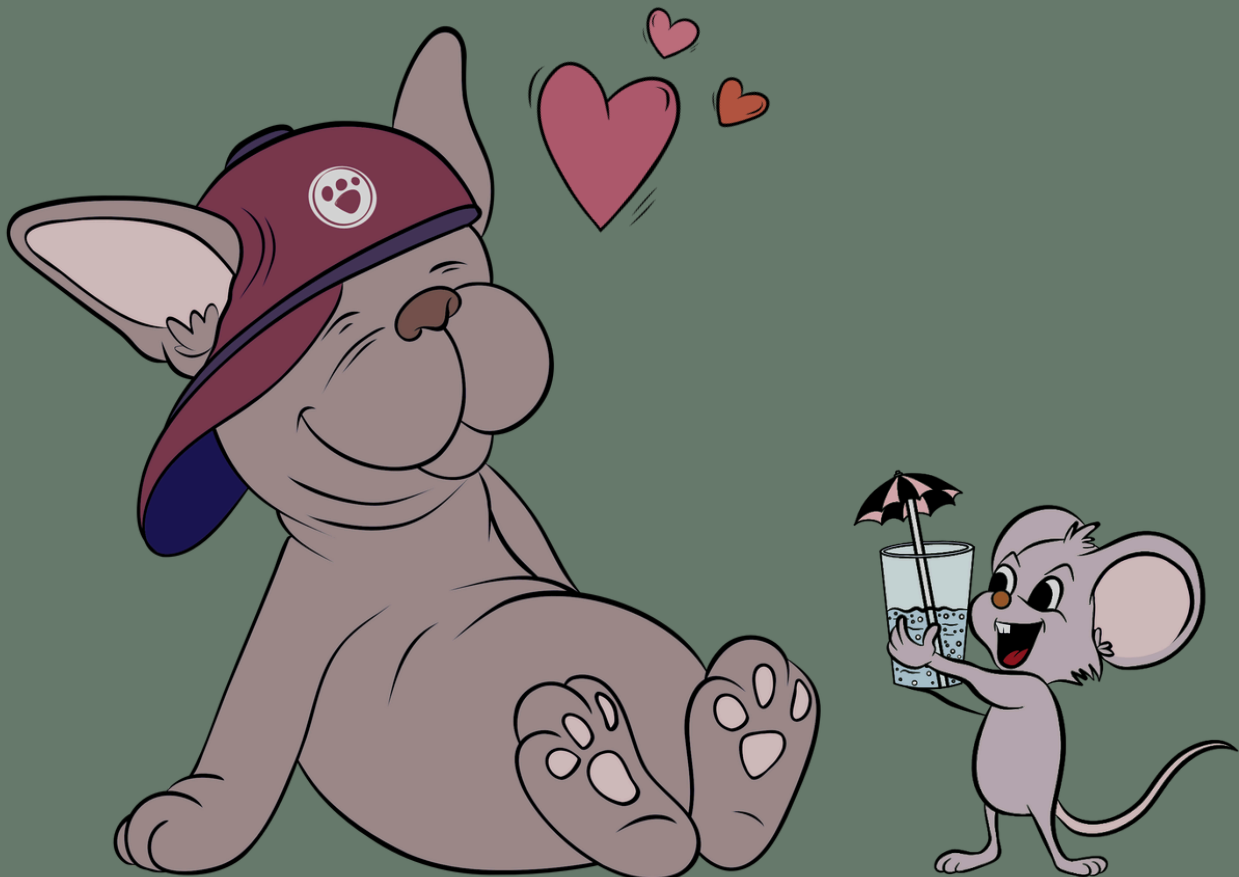

What in the world is
happening?
Wait a minute...
What is that thing around
Lheeloo???

HELLO & UNA

GAMES AND
FUN FACTS

DID YOU KNOW?

French Bulldogs are pretty famous for being a little gassy! They smell so bad that Luna calls them "toxic toots!"

Because of their short snouts, French Bulldogs often swallow extra air while eating, which can lead to even more gas.

Their sensitive tummies, plus foods like dairy or grains, can make the condition worse.

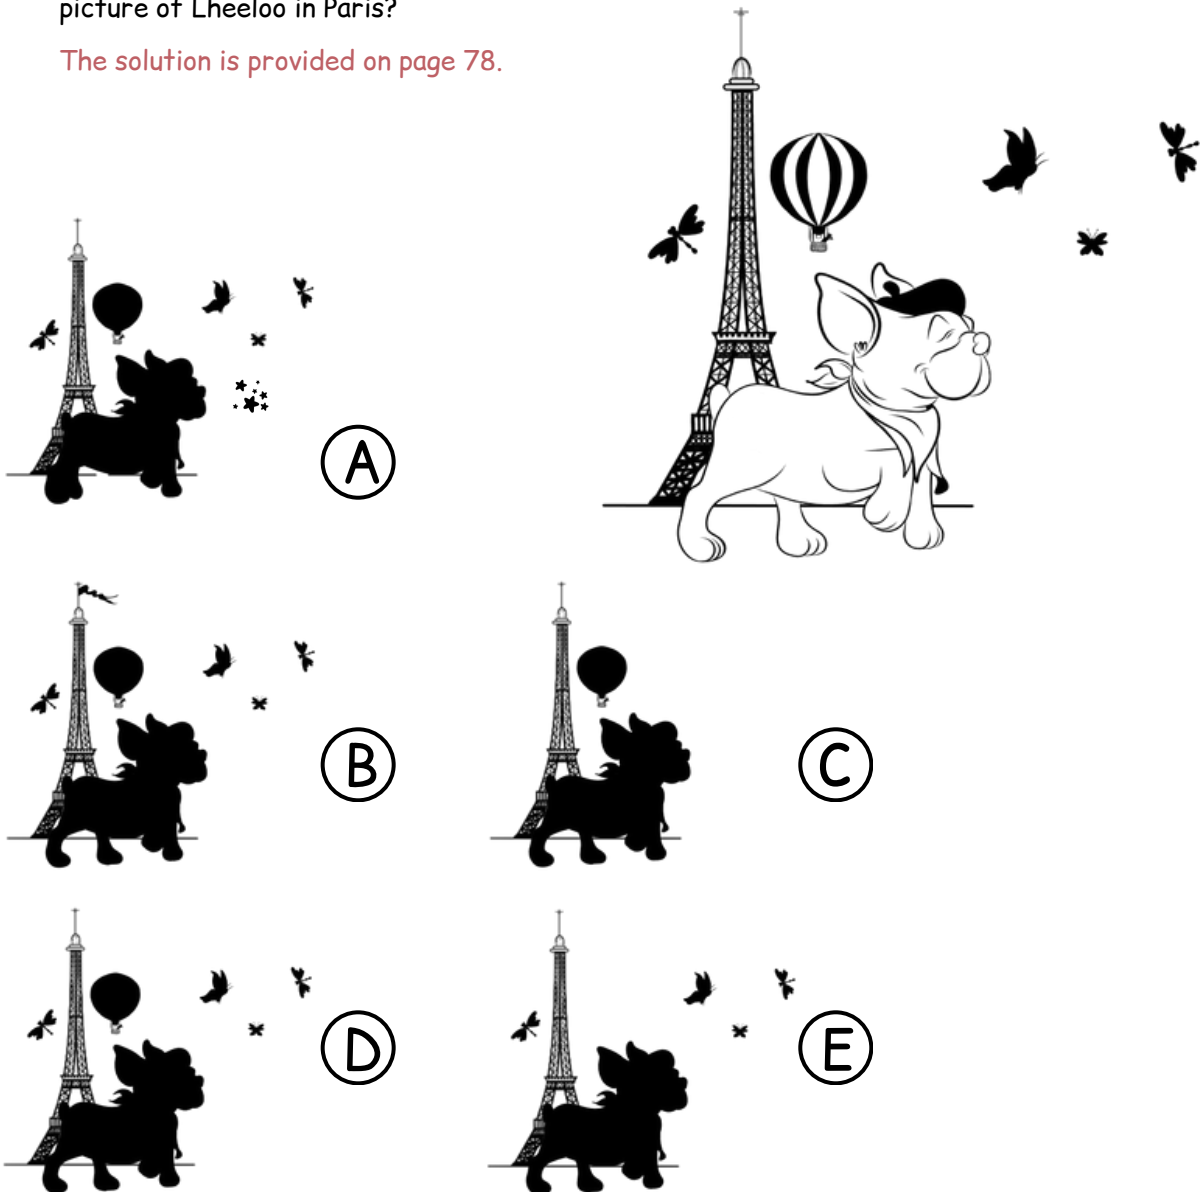

Feeding them the right food can help, but sometimes, a few silly toots are just part of the fun of having a Frenchie!

THE SHADOWS

Can you find the shadow that is identical to the picture of Lheeloo in Paris?

The solution is provided on page 78.

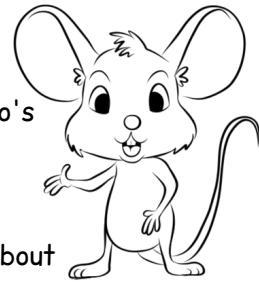

DID YOU KNOW?

Have you ever seen dogs sniffing the ground?

They're using their super-smelling powers!

It's like they're reading a story with their noses. They can tell who's been there, what they ate, and even where they went.

It's like a secret code only dogs can understand! They can do this, because the part of the dog's brain devoted to analyzing odors is about 40 times larger than a human's. Now, that's amazing to me. What do you think?

COUNTING GAME

Psst! Lheeloo has a secret stash of bones.
Can you spot them all in her treasure pile?

Write your answer here: _____

The solution is provided on page 79.

LHEELOO AND LUNA ARE READY
TO COOK WITH YOU!

PEANUT BUTTER & BANANA DOG TREATS

Ingredients:

- 1 ripe banana
- 2 tablespoons peanut butter
- 1 cup oat flour, or finely ground oats if you don't have oat flour

It is very important to make sure the peanut butter is xylitol-free.

Xylitol is dangerous for dogs!

Instructions:

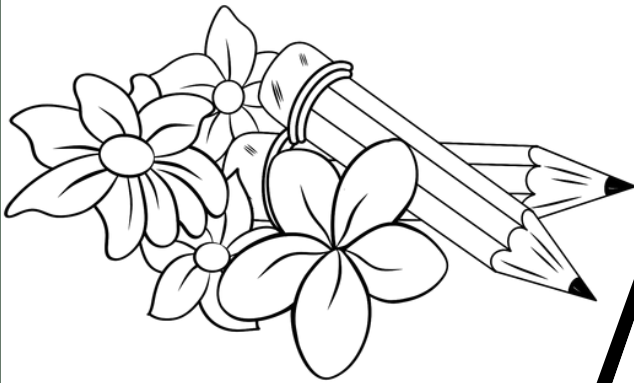

- Mash the banana in a bowl.
- Stir in the peanut butter and mix very well.
- Add the oat flour and mix until a soft dough forms.
- Roll the dough into small balls or flatten it and use fun cookie cutters!
- Place the treats on a plate and chill in the fridge for about 1 hour.
- Give one to your dog and watch the tail wag!

DRAW YOUR DREAM PET

If you could have any pet, what would it be?
Grab a piece of paper, draw it, and give it a name!

Maybe a baby dragon named Little Blaze. Who knows?

Let your imagination run wild!

SOLUTIONS

THE SHADOWS

The correct shadow is D.
